UQ GATTON PAST STUDENTS' ASSOCIATION SCHOLARSHIP

Your opportunity to give financial help to UQ Gatton students

Remember your time at Gatton? Do you recall your fellow students? Do you still think about the Dormitories/Halls of Residence – Pitt, Shelton, Thynne, Riddell – where you lived, studied and organized your social life and the “hijinks” that you won’t admit to now? Do you remember the staff, affectionately or otherwise, who presented your course work? Do you recall your graduation when, resplendent in academic dress with proud parents beaming, you received that all-important roll of parchment, the key to your future? Do you still think about your days at Gatton?

Now there is a way to record those happy days while simultaneously helping those who follow in your footsteps. You can help secure the future of those students who study at Gatton.

The UQ Gatton Past Students' Association Scholarship gives UQ Gatton alumni the opportunity to help build a scholarship fund that supports students studying at UQ Gatton. The Scholarship enables Gatton to continue to attract students who have the desire and determination to succeed, who may not have the financial capacity to pursue tertiary study.

The names of all donors to the Scholarship will be recorded in a permanent Book of Donors that is on public display in the UQ Gatton Museum at Morrison Hall. Donors who contribute \$250 will be acknowledged with a plaque on a chair in the UQ Gatton Dining Hall. Donors who contribute \$1000 will be acknowledged with a plaque on a table.

Every donation to the UQ Gatton Past Students' Association Scholarship is gratefully accepted.

You can donate by cheque or credit card using the slip below.

Gifts over \$2 to The University of Queensland are tax deductible.

Please send your cheque or completed credit card details, full name and contact details, as well as the details you would like placed on the plaque to the above address.
